

# CLARE HALL MATHEMATICAL ASSOCIATION STANDING ORDERS

## **I Membership and Subscription**

1. There shall be no subscription for Ordinary Members in statu pupillari; otherwise, the subscription for Ordinary Members shall be a payment of £2 to be made annually.
2. All current students of mathematics or computer science at Clare Hall shall automatically receive Ordinary Membership.
3. The subscription for Associate Members shall be a payment of £2 to be made annually.
4. An Ordinary Member who has maintained their membership for 3 or more years after ceasing to be in statu pupillari shall automatically receive Honorary Membership.

## **II Committee Duties**

1. The President shall be responsible for the running of the Association, and in particular for the arrangement of meetings.
2. The Treasurer shall be responsible for the running of the Association's finance, and in particular for the allocation of the annual budget.
3. The Secretary shall be responsible for the records and archives of the Association, and in particular for keeping the Membership Book and the minutes of meetings.
4. The Events Officer, if elected, shall be responsible for organising various events for the Members of the Association.
5. The Public Relations Officer, if elected, shall be responsible for the public relations issues of the Association, and in particular for its social media presence.

## **III Miscellaneous**

1. The Association is currently not involved in any reciprocal arrangements with other College Societies.
2. The archives of the Society shall be deposited in the same place as the archives of Clare Hall.
